

Frequently Asked Questions (FAQ)

What color will my book be?

Most clients are thrilled to know that Epica books tend to come in a rich shade of brown. As you know by now, each and every piece is one of a kind and stained by hand. To get as close of an idea as you can to color, click a few of the smaller images below their product descriptions. When they are blown up, you will have a much better idea of how the leather looks.

Perhaps the best description we can offer is: An exquisite rich, caramel-y brown with reddish infusions.
