

Frequently Asked Questions (FAQ)

Can I send my package to an address that is different than my billing address?

Absolutely. Once you checkout you will get to a Bill To / Ship To page. Simply enter your full billing information on the "Billing and Shipping" page and uncheck the shipping box to reveal a ship to address of your choice.

Once you have setup your account you can always login to make changes to your account or shipping address

We also offer gift wrapping and a gift message service for \$10 for your convenience and do not include invoices.
