

Frequently Asked Questions (FAQ)

Can we have our company logo, family crest, or my own artwork custom engraved onto your books or albums?

Absolutely! Getting your company logo, family crest or anything else you would like onto one of our books has never been easier as we have fully integrated it into the Epica website. Our entire personalization page where you can add a logo, add custom calligraphy and add custom embossing is found here.

Simply Click here to send us your artwork. (A vector file or eps file is best.)

You can do it in only three easy steps.

1. Fill out the form found on the page above. Tell us what size, color and position you would like your logo to be in. Select if you would like for us to retain your logo for future use or if we should send it to you, then, add it to your cart.
2. Upload your artwork from your computer by pressing the browse button and continue.
3. You will now want to keep shopping for any additional books you would like to have personalized with this logo and purchase more "logo stamps" for each additional book. Remember you can also add custom embossing to your books as well by clicking here

Each purchase of a die, includes its creation, setup and up and the engraving of it onto one book. Each additional impression on additional books is an additional \$20. Click here to purchase more impressions.

Creating your custom dye and engraving it onto your Epica book(s) takes approximately 7-10 days.
